25. Gilead Right to Terminate. Section 10.3(b) of the Agreement is hereby deleted in its entirety and replaced with the following:

“(b) Gilead and/or MPP shall have the right to terminate this Agreement, the covenant contained in Section 7.5 and/or one or both of the licenses granted pursuant to Section 2.1 or Section 2.2 (whether or not such event constitutes a right of termination pursuant to Section 10.2), if:

- (i) Gilead determines in good faith that (A) a material quantity of API made or sold by Licensee has been diverted outside of South Africa, China or India, or to third parties that are not Licensed Product Suppliers, (B) a material quantity of Product made and/or sold by Licensee has been diverted to countries outside the Territory (other than with respect to such diversions occurring solely as a result of the circumstances expressly contemplated in Sections 7.3(c), 10.3(c) and 10.3(d) below), or (C) any of the prohibited activities described in Section 7.2(a)(i)-(viii) has occurred;
- (ii) Gilead and/or MPP determines in good faith that, due to material deficiencies in Licensee’s compliance, or repeated failure to comply, with the Minimum Quality Standards, Licensee is unable to reliably and consistently manufacture API or Product in accordance with the Minimum Quality Standards;
- (iii) Gilead determines in good faith that Licensee has obtained material quantities of API from sources outside of India, South Africa or China (subject to the provisions set forth in Sections 7.3(c) and 10.3(c)), or in ways that are inconsistent with the terms and conditions of Section 3; or
- (iv) Gilead’s rights to EVG terminate due to the termination of the Japan Tobacco Agreement, provided, however, that in such event, such termination would only apply on a Product-by-Product basis and only with respect to Products containing EVG that are subject to the sublicense granted by Gilead under the Japan Tobacco Agreement.

Gilead shall give Licensee and MPP written notice of any such event and provide Licensee with a period of thirty (30) days after such notice to demonstrate that the conditions giving rise to Gilead’s determination no longer exist to Gilead’s reasonable satisfaction. If Licensee is unable to do so, this Agreement shall be terminated effective upon the thirtieth (30<sup>th</sup>) day following such notice. In the event that MPP independently exercises its right to terminate this Agreement pursuant to Sections 10.2 or 10.3, MPP shall provide notice to Gilead of such intent to terminate.”

26. Licensee Right to Terminate License on an API Basis. For the avoidance of doubt any termination by Licensee of its license to BIC pursuant to Section 10.5 of the Agreement shall in turn terminate Licensee’s rights and licenses under all Patents that claim BIC (alone or in combination with any other compounds) to manufacture, sell, use, export or import any Product that contains BIC.

27. Appendices. Appendices 1, 2, 3, 4, 5, and 6 of the Agreement are hereby deleted and replaced with new Appendices 1, 2, 3, 4, 5, and 6 attached to this Amendment, respectively. Appendix 7 attached to this Amendment is hereby added to the Agreement as Appendix 7.
28. Miscellaneous. Except as expressly amended by this Amendment, the terms and conditions of the Agreement will remain in full force and effect.
